

# Can I Trust You?

(Elementary)

Are the following statements red or green flags?

- A. They listen very well when you're telling them something important.
- B. They give away your seat that they promised they would hold for you.
- C. They talk kindly about you to others.
- D. They tell you the truth if you are doing something they don't like.
- E. They say they are going to play with you and then disappear to play with someone else.
- F. They are there to talk to if something has made you sad or anxious.
- G. They have kept your secret when you told them who you like.
- H. They try to find things to do that you both like doing.
- I. They steal your pencil without asking you if they could use it.
- J. They make fun of you to other classmates when you're not around.
